## Literary Genre Lab Answer Key

### **Sample A: Science Fiction**

Justification: It takes place in space, involves spacecraft, and uses futuristic technology like gravity control.

### **Sample B: Horror**

Justification: The suspenseful tone, supernatural setting, and eerie events (like the attic door and flickering flashlight) suggest horror.

### **Sample C: Biography / Narrative Nonfiction**

Justification: It tells about the real-life actions of Rosa Parks using factual details in a narrative form.

### **Sample D: Realistic Fiction**

Justification: The story features believable characters, real-world challenges (a robotics competition), and no fantasy elements.
