Name _____

Class Science Fair

Directions: Read the paragraph below carefully. It contains several incorrect uses of **get**, **got**, and **gotten**. Rewrite the paragraph, fixing every error so that all verbs match the correct tense and meaning.

Yesterday, I get really excited about our class science fair. I have get all my materials ready, but then I realize I forgot my poster at home. My friend Emily got it for me after I texted her, so I was thankful. When the fair start, I got nervous but soon have got used to presenting. By the end of the day, I feel proud because our project have got second place.
