### Teacher's Guide:

- Encourage students to **practice tone and body language**, such as smiling or making eye contact while responding.
- Offer **sentence starters** ("Thank you," "That means a lot," "I appreciate it") to help students form polite replies.
- For differentiation, pair readers and nonreaders for **partner role-play** of each dialogue.
- Extension idea: Have students **write and act out their own compliment exchanges** about classroom teamwork or hobbies.
