

Name _____

Words Of Kindness Answer Key

Answers will vary. Examples include:

1. Classmate: "You always work hard on group projects."
2. Teacher: "You make learning really fun."
3. Family member: "You always help me when I need it."

Teacher's Guide:

- Model writing compliments aloud using **positive tone and clear examples** before students begin.
- For differentiation, provide **word banks** with adjectives such as kind, helpful, creative, or patient.
- Encourage students to **share one compliment aloud** or write it on a sticky note for someone in the room.
- Extension idea: Create a **Compliment Chain**, where each student writes one kind sentence to add to a growing classroom display of kind words.
