## Compliment Builders Answer Key

Answers will vary. Examples include:

1. kind, helpful, funny
2. backpack, haircut, laugh
3. attitude, imagination, heart
4. bright, warm, happy
5. share, listen, help others
6. great, careful, smart
7. creative, colorful, neat
8. singing, building, reading
9. nice, cool, bright
10. happy, welcome, special

### Teacher's Guide:

- Support emerging writers by modeling **simple adjective choices** (kind, nice, helpful) before students begin.
- Offer **word banks** or **picture cards** to help nonreaders choose positive words.
- Engage the class in a **Compliment Circle**, where each student reads one finished sentence to a peer.
- For extension, invite students to **illustrate one compliment** and display it on a class "Kindness Wall."
