Glossary Guess

Directions: Read the passage carefully. Pay attention to the **bold words** and use *context clues* in the sentence to **guess** what they mean. After guessing, look at the mini-glossary provided. **Verify** whether your guess was correct by matching each bold word to the correct glossary definition. Finally, **explain** how the glossary either confirmed or changed your first idea. Write your answers at the back of this sheet or on a separate sheet of paper.

When Rosa visited the art museum, she admired a large painting that showed a **vivid** sunset with bright oranges and deep purples. As she walked farther, she stopped at a sculpture carved from marble that looked so **intricate** it seemed impossible someone had made it by hand.

A guide explained that some artists follow **tradition**, keeping styles and methods that have been used for hundreds of years. Others prefer **innovation**, trying new techniques and bold ideas that surprise viewers. Rosa realized that both approaches created works with great **significance**, leaving people with memories and feelings that lasted long after leaving the museum.
