 - Guess: Importance or lasting meaning (from “memories and feelings...lasted long”)
 - Glossary: The importance or meaning of something
 - Match

Teacher Notes:

- This worksheet trains students to **use context clues first**, then double-check accuracy with a glossary or dictionary.
- Encourage students to write their guesses before peeking at the glossary to build confidence in word-solving strategies.
- Extension: Have students create **two new sentences** using one glossary word correctly, showing they can apply it outside the passage.
