

Name _____

Speech Sorter Answer Key

Correct Sort:

- **Nouns:** Debate, Unity, Determination
- **Verbs:** Organize, Prepare
- **Adjectives:** Enthusiastic

Teacher Notes:

- This activity builds students' skill in identifying **parts of speech** using both context and glossary entries.
- Reinforce that the **same word can function as different parts of speech** in other contexts (e.g., *debate* can also be a verb). For this worksheet, students should focus only on how the words are used in the passage.
- A strong extension is to ask students to rewrite the passage by **changing one word's part of speech** (e.g., turning *debate* into a verb: "They will debate tomorrow in class.").
