Glossary In Action

Directions: Read the passage carefully. Notice the **bold words** in the passage. These words are listed in the mini-glossary with their definitions. After reading, use each glossary word to write an **original sentence of your own** (not from the passage). Make sure your sentences show you understand the meaning of the word.

Sofia volunteered at the city's **shelter**, where lost and abandoned animals were cared for. She admired the staff's **compassion**, noticing how they treated each animal with patience and love. One dog showed incredible **loyalty**, following the volunteers everywhere they went.

During the afternoon, Sofia helped **provide** food and water to the animals. She also worked with others to **construct** new beds from donated blankets and wood. At the end of the day, Sofia felt a strong sense of **gratitude** for being part of such meaningful work.
