

Name _____

Glossary In Action Answer Key

Sample Sentences (answers will vary):

1. Shelter → The hikers built a small **shelter** to stay safe during the storm.
2. Compassion → She showed **compassion** by helping her friend who was upset.
3. Loyalty → The knight pledged his **loyalty** to the king.
4. Provide → Parents work hard to **provide** for their families.
5. Construct → Engineers will **construct** a new bridge across the river.
6. Gratitude → He expressed **gratitude** for the gift by writing a thank-you note.

Teacher Notes:

- Accept any **accurate, contextually correct sentence** that uses the glossary word appropriately.
- Remind students that each sentence should demonstrate meaning, not just place the word randomly (e.g., "I saw gratitude" is too vague).
- Extension: Have students **combine two glossary words** into a single sentence for more advanced practice.
