## Double Duty Answer Key

### Correct Answers:

1. Line (backstage) → Definition: words an actor speaks in a play
2. Line (sketch) → Definition: a row, mark, or stroke drawn
3. Goal (soccer) → Definition: object/place in sports to score
4. Goal (personal aim) → Definition: something a person aims to achieve
5. Light (bedtime story) → Definition: brightness that makes things visible
6. Light (sun through window) → Definition: brightness that makes things visible

### Teacher Notes:

- This worksheet helps students practice **discerning meaning from context** when a word has more than one dictionary definition.
- Encourage students to reread the sentence around each underlined word before selecting the correct definition.
- A useful strategy is to test each definition in place of the word to see which one “fits” best.
- Extension: Have students create new sentences for one of the multiple-meaning words using the “unused” definition, reinforcing word flexibility.
