### Teacher's Guide

- **Skill Focus:** Moral reasoning, reading comprehension, and connection of values to daily actions.
- **Differentiation Tips:**
  - For younger readers, define each virtue before beginning and give simple examples on the board.
  - For advanced students, ask them to justify *why* they chose each answer using a short written explanation.
- **Engagement Ideas:**
  - Have students act out one scenario to show the moral in action.
  - Create "Virtue Posters" where groups illustrate forgiveness, humility, or compassion through art.
- **Extension Options:**
  - Encourage journal writing with the prompt: *"How can I live out one of these teachings this week?"*
  - Link to broader Good Friday lessons by discussing how Jesus modeled each virtue during the Passion story.
