## Bot Rewrite Bureau Answer Key

### Pair 1: The Late Assignment

**Answer: Version B - Helpful**

**Why:** Shows empathy and responsibility. Instead of shaming the user, it offers a realistic solution (communicate with the teacher).

**What changed:** Tone became supportive and constructive instead of robotic and critical.

### Pair 2: The Nervous Presenter

**Answer: Version B - Helpful**

**Why:** Acknowledges that nerves are normal and offers clear, practical steps. Version A dismisses emotions completely.

**What changed:** Emotional understanding and useful strategies were added.

### Pair 3: The Friendship Fallout

**Answer: Version B - Helpful**

**Why:** Encourages empathy and communication rather than replacing friends like computer programs.

**What changed:** Added emotional awareness and realistic social advice.
