

Name _____

Upgrade or Unplug? Answer Key

1. **Upgrade It** - Promising but safety issues need solving; keep human monitoring.
2. **Upgrade It** - Useful for learning if used ethically; needs anti-cheating tools.
3. **Upgrade It** - Great accuracy, but must balance fairness and emotion in sports.
4. **Unplug It** - Biased hiring data harms fairness; pause until rebuilt ethically.
5. **Unplug It** - Can't replace human care or safety awareness; unsafe for children.
6. **Upgrade It** - Helps communication but needs better nuance for humor and tone.
7. **Keep It** - Minor flaws; overall supports science and conservation effectively.
