

Name _____

Moonlit Effects Answer Key

Sample Responses (students' wording may vary):

1. **Effect:** The room feels calm as the kittens settle down.
2. **Effect:** The room grows quieter and more peaceful.
3. **Effect:** Time slows down as bedtime draws closer.
4. **Effect:** The bunny shows imagination, and the room grows quieter.
5. **Effect:** The story ends with silence and the bunny falling asleep.

Sample Extension Task Response:

Cause: I say goodnight to my pillow.

Effect: I feel ready to sleep.
