## Kite Prediction

**Directions:** Read the beginning of the story. When you see the **Prediction Stop**, pause and think. What do you think will happen next? Write or draw your answer.

Eli ran to the park with his red kite. The wind blew gently, and the kite soared high in the sky. Eli laughed as the kite danced above the trees. Then, gray storm clouds began to roll across the sky. A cool breeze turned into a strong gust of wind.

### Prediction Stop!

*What do you think will happen to Eli and his kite?*
