

Name _____

Caring For Pets

Directions: Read the short passage about pets. Then choose the sentence that tells the **main idea** of the passage.

Pets are special animals that live with people. They need to be fed so they stay healthy. Pets also need baths to stay clean. Some pets need walks to get exercise. Taking care of a pet helps it stay happy and strong.

Which sentence tells the **main idea** of the passage? Circle the letter of your answer.

- A. Pets are special animals that live with people.
- B. Pets need food, baths, and walks to stay healthy.
- C. Some pets like to go for walks.
- D. Pets should be given baths to stay clean.
