## Sentence Forge

**Directions:** Write original, precise sentences that show you truly understand each **bolded** word. Follow the specific sentence requirements for each item.

1. **ambiguous** - Write a sentence about a school policy that could be interpreted in more than one way. Include a clue showing why it is unclear.

Sentence:

2. **corroborate** - Write a sentence about evidence in an investigation or research task. Include at least one specific type of evidence.

Sentence:

3. **inevitable** - Write a sentence about a chain of events where the outcome could not be avoided. Include a cause word like **because** or **therefore**.

Sentence:

4. **nuanced** - Write a sentence about a literary character or argument that is complex, not simply good or bad. Include one contrasting detail using **although** or **however**.

Sentence:

5. **mitigate** - Write a sentence about reducing a negative effect in a real situation. Include what is being reduced and how.

Sentence:

6. **scrutinize** - Write a sentence about examining a source carefully. Include what is being examined and the purpose.

Sentence:

7. **juxtapose** - Write a sentence about comparing two ideas or images side by side. Include what is placed together and what the comparison reveals.

Sentence:

8. **undermine** - Write a sentence about weakening a plan, claim, or relationship. Include what is weakened and the action that weakens it.

Sentence:
