## Sentence Forge Answer Key

Because this is a writing task, answers will vary. Use this checklist to score accuracy:

### What correct usage should show

- **ambiguous:** shows unclear meaning, multiple interpretations, or confusing wording.
- **corroborate:** shows confirming evidence from another source.
- **inevitable:** shows an outcome that could not reasonably be prevented.
- **nuanced:** shows complexity, subtle differences, or mixed traits.
- **mitigate:** shows reducing harm, risk, or severity.
- **scrutinize:** shows careful, close examination for a purpose.
- **juxtapose:** shows placing two things side by side to highlight contrast or connection.
- **undermine:** shows weakening credibility, stability, or effectiveness.

### Teacher's Guide

- **Purpose:** Strengthen Grade 10 vocabulary mastery by requiring students to use words accurately in original, precise sentences that demonstrate meaning, tone, and context.
- **Best practice:** Model one example on the board and underline the parts that prove meaning, such as cause-effect cues, specific nouns, and academic connectors.
