

Name _____

Word Origins Lab

Directions: Research each assigned word. Trace its **origin**, note how its **meaning** has changed over time, and **explain how history shaped its current use**.

For each word:

- Identify the **earliest language** it comes from.
- Define the **original meaning**.
- Explain how the meaning **shifted or expanded** over time.
- Write one modern sentence using the word correctly.

1. Candidate

2. Controversy

3. Manufacture
