Teacher's Guide

- Purpose
 - This worksheet strengthens **context clue analysis** by requiring students to select precise meanings of multiple-meaning words across academic disciplines.
 - It reinforces discipline-specific vocabulary used in history, science, literature, economics, journalism, and theatre.
- Grade level focus
 - Best suited for Grades 9 to 12, with strong alignment for Grades 10 and 11.
 - Supports college and career readiness by emphasizing academic language flexibility.
- How to use
 - Have students read each mini excerpt aloud or silently before looking at the answer choices.
 - Encourage students to underline or mentally note context clues that signal the correct meaning.
 - Remind students that only one answer fits both the **sentence meaning** and the **academic setting**.
