Teacher's Guide

- **Instructional focus**
 - Emphasize that synonyms are not interchangeable in all contexts.
 - Reinforce how audience and purpose influence word choice in Grade 11 writing.
- **Differentiation**
 - Support: Provide a short glossary explaining formality levels of common synonyms.
 - On-level: Require students to reference tone or audience explicitly in every explanation.
 - Extension: Ask students to rewrite two of their own sentences for different audiences using new synonym choices.
- **Engagement**
 - Quick debate: Present two synonym choices and have students defend which fits a specific audience.
 - Peer swap: Students exchange explanations and revise them for clarity and precision.
