

Name _____

Lost Book Answer Key

Chart Answer:

- **Problem:** Sophie lost her library book.
- **Solution:** She remembered it was at her grandma's house and went to pick it up.

Extension Question (sample answers may vary):

- She could have kept the book in her backpack.
- She could have put it on her desk at home.
- She could have written a note reminding herself where it was.

Teacher Notes:

- This exercise teaches students that **stories often include a problem that must be solved.**
- Encourage them to use **clues in the passage** to find both the problem and the solution.
- Allow varied but logical answers for the extension question to build creative thinking.
