

Name _____

Picture The Park

Directions: **Read** the passage carefully. Close your eyes and imagine the scene in your mind. **Draw** what you imagine in the blank space provided. **Label** at least 3 parts of your picture.

At the park, there is a busy playground full of happy children. Tall swings fly back and forth as kids laugh. A bright red slide curves down into the soft grass. Next to it, a wide sandbox is filled with shiny toy shovels and colorful buckets. The sun shines brightly above, making the whole playground glow with warmth and fun.
