Snowman Summary

Directions: Read the short story below. Think about the most important part from the beginning, the middle, and the end. Write one short sentence for each strip to retell the story in order.

One winter morning, Mia, Lucas, and their friend Ella rushed outside after a big snowfall. They rolled three giant snowballs and stacked them on top of each other. Mia gave the snowman a carrot nose, Lucas added button eyes, and Ella placed a scarf around its neck. When they were finished, the kids laughed and took a picture with their new snowman.
