## Sweet Sequence

**Directions:** Read the short story below. Four events from the story are listed afterward, but they are **out of order**. Number the events **1-4** to show the correct order in which they happened.

One Saturday afternoon, Emma's family decided to bake cookies together. First, they mixed flour, sugar, butter, and eggs in a big bowl. Then, Emma carefully placed small scoops of dough onto a baking tray. The sweet smell filled the kitchen as the cookies baked in the oven. Finally, everyone enjoyed the warm, chewy cookies with a glass of milk.

### Events (Out of Order):

Emma scooped cookie dough onto the tray.

The family mixed flour, sugar, butter, and eggs.

The family ate warm cookies with milk.

The cookies baked in the oven.
