

Veggie Main Idea

Directions: Read the passage below. **Circle** the sentence that tells the **main idea**. **Underline** the details that support the main idea. Then, circle the letter of the correct main idea from the choices at the bottom.

Liam wanted to grow his own food, so he planted a small garden in his backyard. He planted carrots, tomatoes, and lettuce. The tomatoes grew quickly and became very big. The carrots grew, but they were thin and small. The lettuce grew well, and his family ate it in salads. Liam learned which vegetables grew best in his garden.

Choices for the Main Idea

- A. Liam liked eating salads with his family.
- B. Liam discovered which vegetables grew best in his garden.
- C. Liam's carrots were too small to eat.
- D. Liam wanted to play outside in the backyard.
