

Name _____

Camping POV

Directions: Read the short story below. Decide if the story is written in **first-person** or **third-person** point of view and **circle**

the correct answer. Then, **underline** clues in the text that helped you decide. List them down in the box after.

I wagged my tail as my family packed up the car. We were going on a camping trip, and I couldn't wait to explore the woods. When we arrived, I sniffed every tree and chased a squirrel. At night, I curled up by the campfire while my family roasted marshmallows. It was the best trip ever, and I loved being part of it!
