## Read Or Watch

**Directions:** Read the short passage below about two friends. Think about how their choices are **similar** and **different**. Fill in the Venn diagram.

- Write what is unique to Mia's choice in the left circle.
- Write what is unique to Jordan's choice in the right circle.
- Write what they have in common in the middle.

Mia and Jordan were deciding what to do on Saturday afternoon. Mia wanted to curl up on the couch with a mystery book. She liked imagining the story in her own mind. Jordan wanted to watch the new mystery movie at the theater. He liked seeing the characters come to life on the screen. Both of them enjoyed mystery stories and wanted to spend time together.
