

Canine Compare Answer Key

Venn Diagram (Sample Answers):

- **Wolves:**
 - Live in the wild.
 - Travel in packs to hunt.
 - Avoid people.
- **Dogs:**
 - Live with families.
 - Depend on humans for food and care.
 - Domesticated.
- **Both:**
 - Part of the canine family.
 - Have sharp teeth for meat.
 - Communicate by barking, growling, or howling.
 - Look similar in appearance (some breeds).

Teacher Guide/Notes:

- This worksheet builds skills in **compare and contrast**, a key Grade 4 comprehension strategy.
- Encourage students to look for **signal words** in passages like *both*, *however*, *alike*, *but*.
- Extension idea: Ask students to create their own Venn diagram comparing **two pets** they know (for example, cats vs. dogs).
