

Name _____

Words In Context Answer Key

Note: Students will give varied responses. Answers should show correct understanding of the word and a realistic situation it applies to.

1. **responsible**
When someone must take care of a task, like feeding a pet every day.
2. **transport**
When describing how items or people are moved from one place to another, such as transporting boxes in a truck.
3. **cautious**
When someone is being careful, like crossing a busy street.
4. **expand**
When something gets larger or grows, such as a business expanding to new locations.
5. **confident**
When someone feels sure of themselves, like before giving a class presentation.
6. **observe**
When watching something closely, such as observing insects for a science project.
7. **assist**
When helping someone, like assisting a classmate who dropped their books.
8. **disaster**
When describing a terrible event, such as a flood damaging homes.
9. **resourceful**
When someone solves a problem creatively, like finding new uses for items during a project.
10. **announce**
When sharing important information aloud, such as announcing the start of a school event.
