

Name _____

Ready To Camp Answer Key

Correct Sequence:

1. Maya and her dad checked the tent in the backyard.
2. The family packed the cooler with food and drinks.
3. Maya rolled up her sleeping bag.
4. Her brother gathered flashlights and batteries.
5. They loaded everything into the car.

Sample Extra Task Answer:

- "They might double-check the map."
- "They might lock the house before leaving."
- "They might put on their hiking shoes."

(Any reasonable answer showing logical preparation is acceptable.)

Teacher Guide/Notes:

- This worksheet helps Grade 4 students practice sequencing by recognizing **signal words** such as *first, next, after that, later, finally*.
- Remind students that sequencing strengthens comprehension by showing how one event leads to the next.
- Extension idea: Ask students to retell the story in their own words or draw a comic strip showing the events in order.
