## Dialogue Builder Boost

**Directions:** Read each short dialogue. Use the vocabulary word in parentheses to complete the final line so that it sounds natural and logical.

1. Ava: Did you hear that the science fair projects will be judged tomorrow?

Leo: Yes, I am a little nervous but also excited.

Ava: Same here. I really hope the judges appreciate our work.

Leo: \_\_\_\_\_ (**commend**)

2. Maya: I cannot believe the museum had an entire room filled with fossils.

Jonas: I know. Some of the bones were huge.

Maya: My favorite part was the timeline that showed how creatures changed over millions of years.

Jonas: \_\_\_\_\_ (**evolve**)

3. Sam: Do you think we will have enough volunteers for the park cleanup?

Riya: Definitely. A lot of people signed up this year.

Sam: That is a relief. The playground really needs some attention.

Riya: \_\_\_\_\_ (**restore**)

4. Lena: My backpack ripped again during gym class.

Owen: That is the second time this month.

Lena: I guess it is finally wearing out.

Owen: \_\_\_\_\_ (**durable**)

5. Eli: Did you understand the instructions for the robotics challenge?

Nora: Mostly. I want to go over them one more time to be sure.

Eli: Good idea. Some of the rules were pretty detailed.

Nora: \_\_\_\_\_ (**clarify**)
