

Name _____

Academic Life Transfer

Directions: Complete each reflection task using the target vocabulary. Write in complete sentences and keep your examples realistic for school.

analyze

significant

revise

justify

contribute

conclude

interpret

perspective

evidence

contrast

1. History seminar discussion: You disagree with a classmate's explanation of a historical event. Use **contrast** and **perspective** in your response.
2. Science lab conclusion: Your group got unexpected results. Use **analyze** and **conclude** to describe what you should do next.
3. English essay evidence: You are writing a literary analysis paragraph and need stronger support. Use **evidence** and **significant** in your response.
4. Math solution explanation: A teacher asks you to explain why your solution method works. Use **justify** and **interpret** in your response.
5. Peer feedback revision: A classmate says your argument is unclear. Use **revise** and **contribute** in your response.

Reflection Check: Answer in complete sentences.

1. Which two vocabulary words from the list feel most natural for you to use in school, and why?
2. Which two words feel least natural for you to use right now? What would help you use them more confidently?
3. Pick one class you have this week. Describe one specific moment where you could use one of the target words appropriately.
