Teacher's Guide

Purpose

- Build student understanding of major Greek landmarks through clue-based identification.
- Support grades 5 to 8 in recalling cultural and geographic features of Greece.

Instructional Tips

- Review each landmark name and location before beginning to ensure familiarity.
- Remind students that each landmark represents a different part of Greek history or geography.

Differentiation

- Provide a simple one-sentence description sheet for learners who need background support.
- Allow partner discussion for students who benefit from verbal processing.

Engagement Ideas

- Show photos of the four landmarks to build visual recognition.
- Ask students which landmark they would most like to visit and why.
- Invite students to describe what challenges ancient builders may have faced at each location.
