### Teacher's Guide

#### Purpose

- Support students in grades 3 to 5 as they read a short nonfiction passage about Greece.
- Strengthen comprehension skills such as identifying details, cause and effect, and main ideas.

#### Instructional Tips

- Model how to highlight or underline the part of the passage that answers each question.
- Encourage students to restate part of each question in their answers.

#### Differentiation

- Provide sentence starters for students who need extra support.
- Offer a short vocabulary box for English learners.
- Invite advanced students to research another Greek landform and write a fact card.

#### Engagement Ideas

- Show a simple map of Europe and locate Greece together.
- Ask students what foods they have seen or tasted that come from Greece.
