Greece City Connections Answer Key

1. Athens
2. Thessaloniki
3. Patras
4. Heraklion

Teacher's Guide

Purpose

- Help students in grades 4 to 6 identify major Greek cities and connect them with key features.
- Strengthen skills in reading clues, recalling factual information, and matching details.

Differentiation

- Provide a short city fact sheet for students who need more background knowledge.
- Allow partner discussion for students who benefit from working together.

Engagement Ideas

- Ask students which city they would most like to visit and why.
- Show photos of each city to help students build stronger visual connections.
- Invite students to imagine taking a short trip through Greece and describing what they might see in each place.

Extension Activities

- Have students create a mini travel card for one of the four cities with one picture and two facts.
- Ask students to compare one Greek city with a city in their own region.
- Encourage students to research a Greek island city and present two interesting facts to the class.
