Directions: Choose a side in each debate prompt below and write a short persuasive paragraph defending your position. Use **facts, logic, and creativity** to make your argument convincing. Be ready to explain your reasoning to classmates or in a class discussion.

Debate Prompts

1. **Who's the stronger creature: a vampire or a werewolf?** Support your choice using evidence such as strength, intelligence, or survival skills.

2. **Which monster would make the best friend: a ghost or a zombie?** Think about personality, loyalty, and communication.

3. **Would you rather be invisible like a phantom or fly like a bat?** Explain which ability would be more useful and why.

4. **Are witches misunderstood heroes or true villains?** Use examples from folklore, history, or modern stories to back up your argument.

5. **What's scarier: the unknown in the dark or a real monster you can see?** Consider which one plays more on human fears and emotions.
