verb |

Teacher's Guide

- **Differentiation Tips:**
 - For younger or struggling learners, introduce one part of speech at a time with examples.
 - For advanced learners, challenge them to use each word in an original Halloween sentence.
- **Engagement Ideas:**
 - Play a "Grammar Graveyard" game where students "bury" (sort) words into labeled cauldrons or baskets.
 - Act out verbs and describe adjectives aloud for a kinesthetic activity.
- **Extension Ideas:**
 - Have students write a short haunted story using at least five nouns, three verbs, two adjectives, and one adverb from the list.
 - Encourage creative illustrations for each word category-like drawing a haunted house filled with nouns, verbs, and adjectives!
