Teacher's Guide

- **Differentiation Tips:**
 - Read the quiz aloud and pause for discussion before students choose answers.
 - Offer visual aids showing examples of bullying, conflict, and bystander choices.
 - Allow verbal responses or smaller answer sets for students with processing challenges.
- **Engagement Ideas:**
 - After the quiz, discuss each question using real-life examples or short role-plays.
 - Create a "My Safe Plan" worksheet where students list trusted adults and safe actions they can take.
- **Extension Activities:**
 - Have students design anti-bullying posters or write a short public service announcement.
 - Encourage a peer-led discussion on digital respect and empathy using current social media examples.
