## Word Meaning Showdown

**Directions:** Grab a dictionary (print or digital) and become a word detective! For each homograph, list **all the definitions** you find. Write the **part of speech** (noun, verb, adjective, etc.) next to each meaning. Use the example to guide you.

**Example word:** *light*

1. (*noun*) - Something that makes things visible or bright.
2. (*adjective*) - Not heavy; easy to lift or carry.
3. (*verb*) - To start something burning or make it shine.
