Teacher's Guide

- **Focus Skill:** Students strengthen understanding of **homophones** by using **context clues** to select the correct spelling and meaning.
- **Differentiation Tips:**
 - Read sentences aloud for auditory learners; emphasize word sounds.
 - Offer word cards for visual learners to sort into "sound-alike" groups.
- **Engagement Ideas:**
 - Turn this into a "Homophone Bee"-students take turns choosing the correct word aloud.
 - Allow students to create two new sentences using homophones from the quiz to show understanding.
- **Extension Activities:**
 - Have older students explain the meanings of all four options in tricky questions.
 - Encourage art integration by drawing one picture that includes two different homophones (e.g., a *sun* and a *son*).
