

Name \_\_\_\_\_

## Ready To Make

**Directions:** Choose one task from the list below. Then create a **complete and accurate materials list** someone would need before beginning the task.

**Choose One Task:** Select one or make your own.

- build a small paper bridge that holds weight
- bake simple chocolate chip cookies
- plant a seed in a classroom pot
- record a short digital video
- clean and organize a desk space

**My Task:** \_\_\_\_\_

**My Materials List:** List all tools, materials, or supplies needed. Be specific and include measurements, quantities, or types when helpful.
