## Skate Park Fun

**Directions:** Read the letter below. It has several errors using **I** and **me**. Rewrite the letter correctly, fixing all the pronoun mistakes.

Dear Jordan,

Hi! How are you? Yesterday, my sister and me went to the new skate park downtown. Me tried to learn a few tricks, but my sister was way better than I. After that, our friend Alex met I at the snack stand, and he bought I a smoothie. Me told him that skating was harder than it looked. Later, my dad picked up my sister and I, and he thanked I for helping carry the helmets. It was such a fun day, and me can't wait to go again next weekend!

Your friend,

Taylor
