Teacher's Guide

- **Skill Focus:** Builds accuracy in recognizing correct and incorrect use of **I** (subject pronoun) and **me** (object pronoun) across various sentence structures.
- **Differentiation Tips:**
 - For students who struggle, highlight verbs to see who performs or receives the action.
 - Offer oral practice: students say each sentence aloud and listen for which sounds natural.
- **Engagement Idea:**
 - Turn the worksheet into a "Pronoun Court." Students act as judges, deciding if each sentence is "guilty" or "innocent" of incorrect grammar.
- **Extension Activity:**
 - Have students write three new sentences of their own that use **I** or **me** correctly, plus one tricky sentence using "between you and me."
