School Carnival Rewrite

Directions: Read the paragraph below. There are a few grammar mistakes. Rewrite the paragraph correctly on your paper. Make sure all the sentences sound clear and formal.

Yesterday, my friends and me volunteered at the school carnival. The principal thanked Jake and I for setting up the game booths. Later, Emma and me helped the art teacher paint signs for the prize tent. After lunch, Mrs. Green asked I to make an announcement on the microphone, but me got nervous and forgot what to say. Still, everyone clapped when I finished, and the day turned out great!
