### Teacher's Guide

- **Skill Focus:** Students learn to distinguish between **I** (subject pronoun) and **me** (object pronoun) in a narrative context.
- **Differentiation Tips:**
  - Support beginners by reading the story aloud and pausing to discuss why **I** or **me** fits each blank.
  - Challenge advanced students to rewrite two sentences using different pronouns (he, she, we, they).
- **Engagement Idea:**
  - Have students draw a simple picture of the picnic scene after completing the story, labeling the pronouns in action.
- **Extension Activity:**
  - Encourage students to write their own short "family day" story using at least six pronouns correctly.
