## Mystery At The Park

**Directions:** Read the passage carefully. **Underline** each pronoun (**I** or **me**) that is used correctly. **Circle** each pronoun that is used incorrectly.

Yesterday, me went to the park to play soccer with my friends. I brought my shiny new ball from home. My brother told I to be careful not to lose it. When me arrived, everyone was already kicking their soccer balls around. I joined right in and scored the first goal!

After the game, my friends invited I to get ice cream. Me said yes, but first I had to tell my mom where me was going. She smiled and thanked I for asking permission. Then I raced to the ice cream stand and ordered chocolate for me and vanilla for my brother.
