## Poster of Persistence Answer Key

### Likely Theme/Message:

- Persistence pays off.
- Hard work leads to success.
- Don't give up, even when others doubt you.

### Possible Poster Ideas:

- A shining bicycle with the phrase *"Keep Going!"*
- A mountain climber reaching the top with *"Hard Work Wins"*
- Marcus riding the fixed bike with *"Never Give Up"*

### Sample Student Explanations:

- "I drew Marcus riding his bike with the words *'Never Give Up'* because the story shows how persistence led to success."
- "My poster shows a toolbox and a working bike with the slogan *'Hard Work Pays Off.'* This matches the theme of the passage."

### Teacher Notes:

- Students may express the theme in different visual ways: literal (bike repair) or symbolic (mountain, lightbulb, rising sun). Both are acceptable if tied to the passage.
- Look for explanations that connect the **visuals and slogan** directly to the theme.
- Encourage creativity in color, style, and symbols to strengthen the impact of their poster.
