## Maya's Journey Answer Key

### Possible Storyboard Breakdown (students may vary):

- **Panel 1:** Maya tightens her hiking pack in the foggy forest. (Caption: *Maya gets ready to hike in the misty woods.*)
- **Panel 2:** She walks along the narrow trail, hearing leaves crunch beneath her boots. (Caption: *She starts hiking down the path.*)
- **Panel 3:** A red cardinal flashes across the trees, catching her attention. (Caption: *Maya notices a bright bird ahead.*)
- **Panel 4:** She discovers a small wooden bridge over a rushing stream. (Caption: *She carefully steps onto the bridge.*)
- **Panel 5:** Maya crosses safely and reaches a clearing filled with sunlight and wildflowers. (Caption: *She finds a beautiful hidden meadow.*)

### Teacher Notes:

- Students should focus on **sequence and clarity**, not artistic detail.
- Check if their panels cover the **beginning, middle, and end** of the passage.
- Encourage captions to be brief but accurate, reflecting comprehension of the story's flow.
- Accept variations in chosen events as long as they make sense sequentially and are supported by text details.
